

FRIDAY FOLLIES

February 3, 2006

ARE YOU READY FOR SOME Football!!

Hey! February 3, 2006

Are you ready for some Valentines!!

Hope you are having a great week. It is finally February, one of my favorite months! It is such a time to relax and reflect and love your loved ones. It reminds me of November in many ways. There is also so much to look forward to. But actually, it is just too cold to do anything else, so you might as well stay inside, watch some football, and grow closer. Right?

Great week. Hope yours has been, too. As I type this, I am watching our newly elected Governor deliver the "Democratic Response" to the State of the Union address. I am so proud of him! He was just a mayor a few years ago and tonight he is the "chosen one" (for many reasons) to deliver the counter. How nervous do you think he is? I think he is actually doing a GREAT job! Bravo, Tim!

More Great news! Andy is home! He is back safe from Iraq! Got the call Monday morning that he was out of harms way. Music to our ears!

The animals continue to be a circus. Remember I showed you Liberty (L'il Birdie) last week with the new nest on top of the book case?

Well, he/she now has a new place. I might need to change his/her name to "Liberty the BAT!" Look at this rascal! Liberty decided that it was fun to climb the curtains and hang out on top of the curtain rod. It doesn't bother me because without realizing it, I accidentally taught Liberty to only use these special towels I have for bathroom privileges. He/she never poops unless on these special towels—which can be a problem (actually dangerous) if I go off to work and forget to put one of the poop towels in Liberty's cage! Anyway - Look at these photos. The bird is a total NUT CASE and I LOVE him/her to death!

Liberty the bat... If you have not guessed, Liberty is a very happy bird!

I had a wonderful surprise this week and

made a new friend who is VERY special! Mawi Asgedom! Have you heard of him? He is amazing! His background- He fled civil war in Ethiopia and survived a Sudanese refugee camp for three years. After being resettled in the United States at age seven, he overcame welfare, language barriers, and the tragic death of love ones to be awarded a full scholarship and then graduated from Harvard University in 1999. Mawi has become a speaker and personal hero to hundreds of thousands of teenagers. (I thought he was pretty cool, too.) Books, CD's, TV shows such as Oprah, and public speaking globally. He is truly a "Good Man." God bless him in his endeavors.

Well, several of you were nice enough to ask, so here it is. The finished floral painting I did

of the card Jeremy sent me. I really kinda like it! And on

a whim, I started another of a "Bath Fairy" for my newly

newly painted bathroom...but I do not think I will hang her. It just seemed

like a harmless way to try to do a human...something I have NOT tried before. Hard. Very hard. I don't like her. She was good practice, though. I might try a real portrait now. It does not scare me as much as before. She served her purpose. Anyone wanna buy a "Bath Fairy"? Ha!

Jeremy purchased his own company this week. Signs, licenses, phone lines and all. I guess he is getting his feet wet! Wish him well. If you are in the Lake Tahoe area for any reason, call "Tahoe Blue Line Transportation Company". He even has employees!

Jess started back to school this semester with 15 or 19 hours. I can't remember. She has a new "interest" who is in Fiji surfing at the moment...Ah, Youth!

OK, here is what we are gonna do! MANY of you came close to winning the "Football Quiz" this time last year, and I even gave you HUGE hints at the end of the Follies last year!

We are gonna do it again!

On the following pages are football SUPER-STARS that I have introduced you to here and there through the years - you know - my Forrest Gump photos.

All of the photos are numbered and you have to write in your answers as they correspond with the numbers. (Come on, Ray, You can do this!) (Ro, I am sure you can, too!)

I haven't decided what you will win, yet, but I promise it will be fun...

So...

Ready...

Set... GO!

Are You Ready! Here we go...
Name all of the players in these photos throughout the
years and I will announce the winner in next week's
Follies.

OK. I have to admit - there are a few very obscure ones in the mix. Numbers 32, 33, 34 are all college players for Alabama...so I will not count those. Let's say the one who gets the MOST right this year...? Sound fair? Here are a few hints:

Grow in peace and wisdom.*

Your Friday Friend,

Judi Godsey

PS NOTE OF CAUTION... 20 employees were fired from The New York Times here in Norfolk for sending lewd and indecent emails. (To my knowledge, none of the 20 were on our joke list - even though some of the attorneys who represent the company were!) I have asked each and every one of you on this list to tell me if the jokes that accompany these "Follies" place you in jeopardy, or even if they offend you. Please understand that they are intended to be light-hearted and are not mean-spirited in any way. If you are ever offended, do not hesitate to ask to be taken off the Friday Follies Joke List. PSS. If you send a joke and I don't use it, it is because it has been used before, and I try not to repeat. Remember, I have been sending these since August of 1997. One tends to go through huge numbers of jokes that way. Disclaimer: When anyone asks if I type all of these jokes, the answer is, "No!" I cut and paste one evening during the week (30 minutes, TOPS). Obviously I don't have time to sit, read, and retype jokes all day!
