P.S. NOTE OF CAUTION... 20 employees were fired from The New York Times here in Norfolk for sending lewd and indecent emails. (To my knowledge, none of the 20 were on our joke list - even though some of the attorneys who represent the company were!) I have asked each and every one of you on this list to tell me if the jokes that accompany these "Follies" place you in jeopardy, or even if they offend you. Please understand that they are intended to be light-hearted and are not mean-spirited in any way. If you are ever offended, do not hesitate to ask to be taken off the Friday Follies Joke List. PSS. If you send a joke and I don't use it, it is because it has been used before, and I try not to repeat. Remember, I have been sending these since August of 1997. One tends to go through huge numbers of jokes that way. Disclaimer: When anyone asks if I type all of these jokes, the answer is, "No!" I cut and paste one evening during the week (30 minutes, TOPS). Obviously I don't have time to sit, read, and retype jokes all day!
